Contact information and office hours

Call us

Local: 541-842-2060

Toll-free: 888-518-8160

TTY: 711

Fax (for provider use): 541-842-2063

Office hours

Our regular business hours are 7 a.m. to 5 p.m. Monday through Friday, except holidays. During those hours you can go through intake, file grievances and arrange your transportation needs. Anything outside of that time is considered after hours.

The TransLink Call Center does not operate on the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

Our after-hours call center is available regardless of the time, day or holidays. You can leave a message with our after-hour calls center. They can also direct you to emergency services, if needed.

Website

rvtd.org/translink

Mailing address

TransLink
239 E. Barnett Rd
Medford, Oregon 97501

Program overview

TransLink provides free non-emergent (not for an emergency) medical transportation, or NEMT. NEMT is a benefit for eligible Jackson Care Connect members. Do you need help getting to non-emergency medical, dental and mental health visits? This benefit can assist with that.

We offer three types of help with transportation: public transit; reimbursement; and vehicle-provided rides. This guide explains reimbursement. We'll work with you to find the right and least-costly type of trip, to fit your current transportation needs. We call this the screening process.

For more information about other NEMT services, please refer to the TransLink Rider's Guide.

Reimbursement

We reimburse, or pay you, a per-mile rate for miles driven to your health care appointment that we approve in advance. You can drive yourself. Or someone else can drive you.

We will reimburse you within 14 days of receiving your request and any required documents. If we deny your reimbursement request, we will issue a Notice of Adverse Benefit Determination (denial letter) within 14 days. If your reimbursement request is incomplete, we may take up to 14 additional days to help you with the request.

We may also reimburse for travel expenses for eligible health care services outside of Jackson County. This is called "out of area." Jackson Care Connect's service area is Jackson County.

We must approve an out-of-area trip before you go to the appointment. In some cases, you may qualify for help with mileage, meals and lodging.

About this guide

This guide explains some of the rules and steps you must follow to take part in the reimbursement program. The rules are fully explained in "Member Reimbursed Mileage, Meals, and Lodging" in the Oregon Administrative Rules: [link.careoregon.org/reimbursement-oar](https://www.oregon.gov/oha/ohcs/insurance/medicaid-reimbursement/oregon-administrative-rules-reimbursement-oar)

You can view the full set of "Medical Transportation Services" rules at your Department of Human Services (DHS) office or on the Secretary of State website: [link.careoregon.org/transportation-oar](https://www.oregon.gov/oha/ohcs/insurance/medicaid-reimbursement/oregon-administrative-rules-transportation-oar)

The rules that relate to non-emergent medical transportation (NEMT) are OAR 410-141-3920 through 410-141-3965.

Step 1: Get a ReliaCard

The first time you request reimbursement, we will create your account for a ReliaCard®. A ReliaCard® is a U.S. Bank pre-paid debit card. You can use it wherever Visa® is accepted. We will mail you your card. It could take seven to 10 business days to arrive.

The ReliaCard will come in an unmarked envelope from U.S. Bank. It may look like it is junk mail, so please watch for it.

Keep your ReliaCard safe. We will reload this same card for future reimbursements.

Before you use your card, you will need to activate it (start it up). Instructions are sent with the card. You must let TransLink know after you have activated the card. Cards do not come pre-loaded with funds. TransLink will load the card after it's activated, and your funds are approved.

For more information about the ReliaCard, see page 13.

Step 2: Call us at TransLink to schedule your trip

If you or someone you know can drive you to your health care appointments, TransLink can reimburse you for that mileage. **Note the 45-day deadline explained in Step 4.**

When you call us, please be ready with this information:

- Date and time of your appointment.
- Name, address and phone number of the provider you're seeing.
- Purpose of the visit.
- Type of funds you are requesting, such as mileage, meals and lodging. Meals and lodging funds are approved for out of area trips. You must request help with meals and lodging, if needed, at the same time as you ask for your trip to be scheduled.
- Personal attendant details, if you require one.

It's important to plan ahead for your reimbursement. Whenever possible, call at least two business days before your appointment. You may call up to 90 days before your appointment. We must approve your trip before you go.

Note: You have the right to request a same-day or next-day trip. If you call the same day as your appointment, funds can still be approved. However, funds will not be loaded until we receive your appointment verification form.

Step 3: Bring an appointment verification form to your health care appointment

The state requires us to confirm that you went to the covered health care service before we reimburse you. Ask the provider's office staff to sign the appointment verification form.

You can get a verification form in three ways:

1. Print it from the TransLink website at rvtd.org/translink
2. Call us toll-free at 888-518-8160 and ask us to mail you a form.
3. Ask us to fax the form to your provider's office.

Step 4: Send us the original, fully completed appointment verification form before the deadline

We must receive your verification form and any required receipts within 45 calendar days of your appointment. We will verify that you were seen and treated.

For us to reimburse you, the form must be signed by the provider office and include all required information. Please double-check your form before sending it in.

Important: We cannot reimburse you if we receive your verification form and any required receipts more than 45 days after your visit.

You may mail the form to us.

Mailing address: TransLink, 239 E. Barnett Rd
Medford, Oregon 97501

Or you can ask your provider's office to fax it.

TransLink fax: 541-842-2063

If your provider faxes the form, they need to include a cover sheet with their facility letterhead and your appointment information. Please have the provider include your name and Member ID on the cover sheet.

Step 5: Or, ask your provider to write a letter

Instead of faxing an appointment verification form, your provider can fax us a letter on their professional letterhead.

The letter must include:

- Your first and last name.
- Your current mailing address.
- Your Jackson Care Connect (Medicaid) Member ID number.

- The date and time of your visit.
- The purpose of your visit.
- A signature and phone number of a provider or staff member where you were seen.

Important: We cannot reimburse you if we receive your provider letter and any required receipts more than 45 days after your visit.

Step 6: Get reimbursed

After we verify your appointment, we will load your reimbursement funds onto your issued U.S. Bank ReliaCard®. We will do this within 14 days of receiving your completed form. We may send funds later if we need more information to verify your appointment. We will contact you if that is the case.

About mileage reimbursement

When someone else drives you to and from appointments, we pay **you** the reimbursement funds. You're responsible for giving the money to the person who gave you the ride.

The mileage reimbursement rate is 46 cents per mile. We determine mileage using the distance from your starting address to your appointment, and then back to your starting location. The starting location may be the home address on file, or another address.

After your appointment, you may have to go to a location other than your starting address. Please let the call representative know. We may be able to accommodate your request.

You will be reimbursed for the shortest, most appropriate route to and from your appointment. This may not be the same as the route you traveled. Reimbursement funds will be rounded to the nearest mile.

About meal reimbursement

At some point, you may need a Jackson Care Connect-covered service that is not available within Jackson County. This is called "out of area."

In some cases, we may be able to provide meal stipends for out-of-area health services. A stipend or allowance is a certain dollar amount to help you cover your expenses.

We may offer stipends for meals if your out-of-area health care takes four or more hours for the full round-trip travel time.

Meals are reimbursed at these rates for members (and attendants, if applicable):

- Breakfast (\$11): Travel begins before 6 a.m.
- Lunch (\$11): Travel spans the entire period from 11:30 a.m. to 1:30 p.m.
- Dinner (\$12): Travel ends after 6:30 p.m.

The meal stipends are a set amount. You do not need to give us receipts for a meal.

Note: You must let us know when you call in to request a ride or mileage reimbursement that you would like help with meal costs. If you are going to a facility that gives you meals, you are not eligible for a meal stipend.

About lodging reimbursement

We may be able to help with lodging costs when you need out-of-area health care services.

The lodging allowance is \$110 per night. We reimburse lodging for attendants only if they have a separate room from you. You are responsible for any costs over \$110. Please plan accordingly if you are approved for lodging reimbursement.

To be eligible for lodging reimbursement:

- You must start traveling before 5 a.m. to make your appointment, or you would return home from your appointment later than 9 p.m.
- OR**
- Your provider must inform us, in writing, that you have a medical need.
 - In either case, you must provide the name and address of the place where you will be staying.

To estimate your travel time and mileage between your home and your appointment, we use online map programs like Google Maps.

To receive lodging reimbursement:

- You must mail a copy of the receipt from your lodging. Please keep the original receipt.
- We must receive your receipt within 45 calendar days of your appointment.
- The name of the member going to the appointment must be on the receipt.

If you stay with a friend or family member who lives close to your out-of-area appointment:

- We may reimburse you for mileage up to 20 miles, each way, from their home to your appointment.
- We will not reimburse you for lodging.
- When you call us to ask for this type of mileage reimbursement, we will need the address of where you will stay.

About out-of-area trips

We have a process for reviewing requests for travel expenses for health care appointments outside of Jackson County.

As soon as you schedule a health care appointment that is out of the Jackson Care Connect service area, please call TransLink to give us time to review your request. We will first check if it is medically appropriate to go outside of the service area for your care. If the same type of care is offered in the service area, we may deny your request.

If we approve your out-of-area appointment, we then need time to schedule the necessary pieces of your trip.

Traveling out of area with an attendant

We will reimburse meals or lodging for one attendant (someone who goes with you). This can include parents or other people helping members. We reimburse members for attendants going with them when:

- The member is a minor who can't travel without someone else.
- The member has a signed note from their provider explaining why an attendant must travel with them.
- For mental or physical reasons, the member can't get to their appointment without help.
- The member couldn't get home after their appointment, treatment or service without help.

In certain situations, we may decide to reimburse meals or lodging for more than one attendant, or for reasons other than those shown above. If you and/or your attendant can not afford to pay for your meals and lodging upfront, please let us know. We will find the best option for you.

Reimbursement checklist

- Get approval from us before you travel. Please call at least two business days before your health care appointment to request funds for mileage, meals or lodging. You may schedule up to 90 days in advance. You may also schedule for the next day or same day.
- Take an appointment verification form with you to your appointment. Make sure it's filled out and signed while you are at the provider's office.
- Or**, ask your provider to write a letter on their letterhead. The letter must include all the required appointment information.
- Send us your appointment verification form or ask your provider to fax us the form or a letter so that it is in our hands within 45 calendar days of your appointment.
- If we gave you advance approval for lodging, make sure we receive a copy of your lodging receipt within 45 calendar days of your appointment. Keep the original receipts.

Reimbursement funds

As mentioned in Step 1, we use the ReliaCard, offered through U.S. Bank, to reimburse members after appointments.

Within 14 days of when we receive your appointment verification form or provider letter, funds will be loaded onto your ReliaCard. We may add reimbursements to your ReliaCard after the amount due has reached \$10 or more. The balance on the card rolls over from month to month.

Want to check the dollar amount on your ReliaCard? Here are two ways:

- Call the ReliaCard Customer Service line toll-free at 855-282-6161
- Visit the ReliaCard website: usbankreliacard.com

If your ReliaCard goes six months without being used, it becomes inactive. You would have to ask ReliaCard customer service to reactivate your ReliaCard before you could access funds.

If you need a reimbursement method other than a ReliaCard, please contact TransLink and ask for an accommodation.

Foster parents and children

Because children in foster care may move frequently between foster homes, foster parents may be able to receive mileage reimbursement funds another way. Ask us if the ReliaCard doesn't work for you.

Common questions

Q: I am the parent or guardian of a minor (0 to 17 years). Am I eligible for mileage, meals and lodging when I travel with them for covered medical services?

A: Yes. As the parent or guardian of a minor, you may receive mileage, meals and lodging funds for you and your child when you travel together to your child's appointments.

Q: How often are payments processed?

A: Reimbursement requests for mileage, meals and lodging are processed weekly. Payments are made after we confirm the visit and receive the required forms and receipts.

Q: When should I expect payments?

A: Expect to receive your funds no later than 14 days after we receive your appointment verification form. However, if your reimbursement is less than \$10, we may wait until you are due at least \$10.

Q: Do I need to provide receipts for my approved meals?

A: No. After your appointments have been verified, your meal stipend will be processed and loaded onto your ReliaCard.

Q: What if I lose my ReliaCard?

A: Call us and ask for a new card if your card is lost, damaged or stolen. We will order a new card for you.

Q: Who do I ask if I have more questions?

A: TransLink! Call us at 541-842-2060 or toll-free at 888-518-8160. TTY 711. Our business hours are 7 a.m. to 5 p.m. Monday through Friday.
